

# **IOSH** working safely course

At Marsh Commercial we know that the best way to achieve health and safety training success is to get people fully involved, having fun and learning by doing.

Working with the Institute of Occupational Safety and Health (IOSH) we are able to offer the working safely course.

#### Who is working safely for?

This 1 day course is for people at any level, in any sector, who need a grounding in the essentials of health and safety. It gives everyone an understanding of why they must work safely at all times.

## What are the benefits to your business?

- Peace of mind from training that's designed and quality controlled by the chartered body for health and safety professionals, IOSH.
- The flexibility that allows us to deliver the programme to suit your business.
- Efficient and effective learning for health, safety and environmental basics, all covered under one programme.
- Memorable and thought provoking facts and case studies to help reinforce learning.

## What is covered?

- An introduction to working safely
- Defining hazard and risk
- Identifying common hazards
- Improving safety performance
- Protecting our environment.

## What results can you expect?

- Greater productivity from fewer hours lost due to sickness and accidents.
- Improved company wide safety awareness culture and appreciation of safety measures.
- Active staff involvement to improve the workplace.

## The qualification

IOSH working safely is a well-recognised and highly regarded health and safety qualification. Successful delegates are awarded an IOSH working safely certificate.
